CANE AND WOOD SEAT CHAIRS,

MANUFACTURED BY THE

East Templeton Co-Operative Chair Co.

EAST TEMPLETON, MASS.

GOODS DELIVERED AT CARDNER DEPOT.

C. A. J. WATERMAN, BOOK AND JOB PRINTER, ATHOL, MASS.

INTRODUCTORY.

IN presenting to our patrons our Illustrated Catalogue we aim chiefly to show the various styles of chairs made by us. The reputation of our company for making good work is well known to all our patrons and is accounted for from the fact that all our workmen are stockholders in the company. It is our constant aim that our chairs shall not only *equal* any in the market in smoothness and thorough workmanship, but *excel* as far as possible. We are confident that an examination of our chairs will convince all that our object has been attained.

All orders will be promptly filled and particular attention paid to procure the lowest rates of freight.

Yours truly,

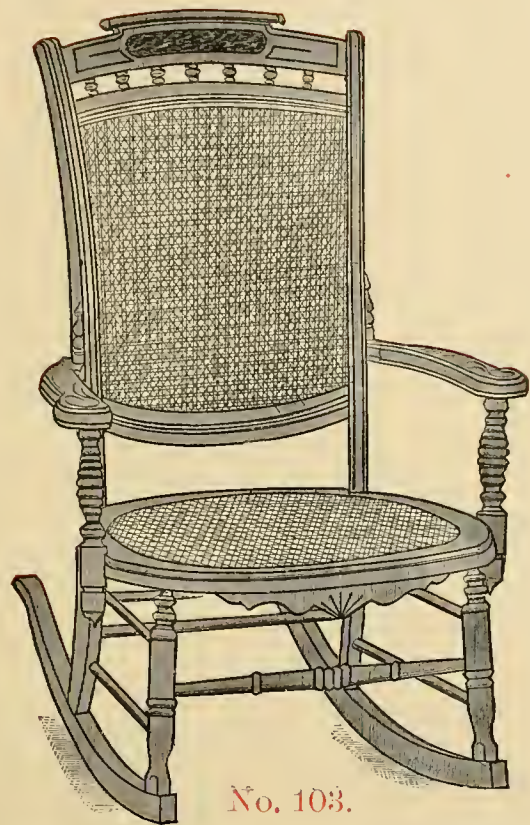

EAST TEMPLETON CO-OPERATIVE CHAIR CO.
